

The committee has been established to support excellence in French programs in the Halton District School Board and to report to Trustees annually. The objectives of the committee include:

- To improve the quality of French programming with respect to student engagement and achievement and to improve the culture of bilingualism.
- To serve as a liaison to community groups in matters pertaining to French program delivery.
- To review the current delivery model (Core French and French Immersion programs).
- To act as advocates for French Official Language programs for all students in Halton.
- To provide recommendations on appropriate resources.
