Dear Parent/Guardian,

RE: HDSB Full Day Early Kindergarten Extended Day Programs

Please be advised that the Extended Day Program for 2011-2012 **Full Day Kindergarten** students will be offered through third party partnerships with child care providers in our community. The program will be delivered at the school site and will be located in a kindergarten class or another age appropriate space.

The program will be delivered in a consistent manner with the Ministry's Extended Day Program. The before and after school program will operate on instructional days and, if there is sufficient parental interest, care could be provided on non-instructional days.

The Halton District School Board continues to have a successful partnerships with the following child care providers providing before and after school programs for students: YMCA of Greater Toronto, YMCA of Oakville, YMCA of Hamilton / Oakville and the Milton Community Resource Centre.

Attached you will find contact information for the provider located at your child's school.

Sincerely,

Leanne Pesowski
