

New Milton High School Boundary Review

To: Parents/guardians of all Milton schools including Frank Hayden and Kilbride

Subject: New Milton High School

March 16, 2020

Dear Parent/Guardian,

Earlier in the school year, we sent a notification about a public meeting to share the preferred options for the new Milton high school. Given the circumstances of the COVID-19 virus, we will no longer be hosting the public meeting scheduled on March 26, 2020 at 7 p.m.

The purpose of the meeting was to provide an opportunity to share information about the boundary review process and review the preferred options for the boundaries.

This meeting will be rescheduled to a later date and in all likelihood, will be done via a livestream with the opportunity for public input on the preferred options. We will be sending another email indicating the date, time and instructions on how to access the interactive livestream.

All current boundary preferred options are available on the Halton District School Board website at www.hdsb.ca (search: [Milton SW #1 hs](#)).

If you have questions about the new Milton high school boundary review, please email miltonsw1review@hdsb.ca.

Sincerely,

Boundary Review Co-Chairs:

David Boag
Associate Director of Education

Joanna Oliver
Trustee - Oakville - Ward 4

Gord Truffen
Superintendent of Education
