Scenario 4 -> Impacts Charles R. Beaudoin PS, Orchard Park PS, Alton Village PS

Projections to be updated with Oct 31, 2018, Trillium Extract

Direct Alton development to Orchard Park PS for English (which is their current FI school), and to direct the TBD area to the closest Millcroft school (Charles R Beaudoin PS).

Status Quo - No change to the boundary or projections for Alexander's PS, John William Boich PS, and Florence Meares PS.

Alton Village PS: Two developments (1015 units) to be redirected to Orchard Park PS. Enrolment is projected to be near total capacity of the school between 2019-2020. The school is expected to remain above building capacity, requiring approximately 6-12 portables for the next ten years.

Charles R Beaudoin PS: Boundary is to be expanded to include the TBD area for English and FI programs. Projections indicate enrolments will remain above 90% but not exceed OTG capacity. Portables will not be required. Scenario 4 will create a split grade 8 English cohort. The school site is limited to a maximum of four portables.

Orchard Park PS: English boundary expanded to include the Alton development. Enrolments to the English program are expected to increase with the addition of new development, no change to FI enrolments. Projections indicate OTG is expected to remain above 90% capacity but not exceed OTG capacity.
