Oakville To Be Determined Area Boundary Approved by Board of Trustees

March 4, 2021

Dear Parents/Guardians,

At the March 3, 2021 meeting of the Board, Trustees of the Halton District School Board deliberated on the Oakville To Be Determined (TBD) Boundary (see [TBD Area map](#)).

Effective immediately, for students moving into the Oakville TBD Area:

- Kindergarten to Grade 8 English programming at [Falgarwood PS](#).
- Grade 2 to 8 French Immersion programming at [Munn's PS](#).

[Detailed map of new boundary effective immediately](#)

Next Steps:

The next step in the boundary review process is the Integration Process which will take place in Spring 2021 to support the addition of students from the Oakville TBD Area into [Falgarwood PS](#) and [Munn's PS](#). This will ensure the transition of students into their new school is achieved in a way that is positive and supportive for students and parents/guardians. We will be working with the school leaders in Falgarwood and Munn's to develop these plans.

If your child currently attends Falgarwood PS or Munn's PS, there is no action required on your part.

Questions?

If you have questions about the new boundary, please contact us by email at plan@hdsb.ca.
