**School Report:**

Mr Jones

Trustee Jeanne Gray

**PIP Funding (Parent Involvement Policy funding)**

**What it is:**

Money each school council automatically receives every year (usually around \$300–\$500) to support **parent engagement activities** at the school.

**What it's for:**

To help parents get involved and connected — for example:

- hosting an information night for parents
- creating parent resources or translations
- improving communication between home and school

**Key point:**

Every school gets this funding automatically. No application is needed.

---

**♦ PRO Grant (Parents Reaching Out Grant)****What it is:**

Extra funding that school councils can **apply for** to run a **specific project or event** that helps parents be more involved in their child's learning.

**What it's for:**

Projects that remove barriers for parents — for example:

- workshops on helping kids with math or mental health
- family events that support learning at home
- sessions that make schools more welcoming and inclusive

**Key point:**

This grant is **applied for** each year and must support parent engagement, not student activities or fundraising.

To that end Mr Jones applied on your behalf and we received a new amount of \$750.

Consider another STEM or such evening.
