GRADE 10 COURSE SELECTION SHEET - 2027/2028

The New Oakville Secondary School - 4020 Sixth Line - Oakville, ON

Halton District School Board

Parent/Guardian Approval

Current HDSB Students - Request for approval is sent electronically to the parent/caregiver email when the student submits courses via myBlueprint.

External Students - Complete this course selection sheet and endorse your approval with your signature below:

Parent/Caregiver Signature	Date (yyyy/mm/dd)

Course Information

More information about course types is available in the HDSB Guide to Secondary School on page 4. HDSB eLearning (online) course offerings can be found at eLearning in HDSB. For current HDSB students, course descriptions and Ontario Secondary School Diploma (OSSD) requirements can be found on mybluepprint.ca/halton.

Academic Courses (Coded 2D1)	There is a focus on the essential concepts of the discipline plus additional related concepts. Academic courses develop students' knowledge and skills by emphasizing theoretical, abstract applications of the essential concepts while incorporating practical applications.
Applied Courses (Coded 2P1)	There is a focus on the essential concepts of a subject and the development of students' knowledge and skills through practical applications and concrete examples. Familiar situations are used to illustrate ideas and students are given more opportunities to experience hands-on applications of the concepts they study.
Open Courses (Coded 2O1)	Open courses in Grade 10 are offered in all subjects other than those offered as Academic or Applied. An open course has a set of expectations that is suitable for all students at a given grade level. These courses are designed to provide students with a broad educational base.
AP Prep Courses	Courses ending in 'P' are designated as AP courses. Students accepted into AP Prep can choose which AP courses suit their needs. Admission to the AP Prep program is via an application process. BEP2OP - Launching & Leading a Business, AP Business with Personal Finance
APEX Courses	Clustered APEX Courses: T = Female, U = Male, Z = All Genders **Required APEX Courses in Gr. 10:** PPL2OT, PAF3OT, CHV2OZ/GLC2OZ OR PPL2OU, PAF3OU, CHV2OZ/GLC2OZ Admission to APEX is via an application process.
Gifted Cluster Courses	Courses ending in '5' are designated courses for students in the Gifted Cluster who have an IEP with the Identification of Gifted.
eLearning Courses	eLearning courses are delivered by an HDSB teacher in an asynchronous, online learning environment. It is recommended that students selecting eLearning courses have strong learning skills in self-regulation, organization, and time management. Students who select an eLearning course will have an unscheduled and unsupervised period in their timetable to work on their chosen eLearning course. These courses codes end in O.

All subjects within HDSB are taught in learning environments that promote inclusive education, and identify and eliminate discriminatory biases, systemic barriers, and power dynamics that limit the ability of students to participate, learn, grow, and succeed. All students see themselves reflected in the curriculum, their physical surroundings, and the broader environment, so that they are engaged in and empowered by their learning experiences.
