

[Send separately to Falgarwood and Munns on Tues Jan 26, 2021]

Jan. 26, 2021

Dear Families at XXX PS:

## **Oakville TBD Area Boundary Review**

We are writing to inform you that the Halton District School Board is currently conducting a boundary review for the Oakville TBD Area (an area north of Dundas Street East and east of Trafalgar Road in ERA 118). The HDSB's [Long Term Accommodation Plan](#) indicates a new elementary school, Oakville NE #3 ps, to open in the 2023/2024 school year (tentative date). Until Oakville NE #3 ps opens, students who move into the Oakville TBD Area need to be accommodated in existing schools.

The Boundary Review Steering Committee (BRSC) was formed in January 2021 and includes representation from all potentially impacted schools: Trustees Kelly Amos (Oakville - Wards 5 and 7) and Tanya Rocha (Oakville - Wards 3 and 6), Margo Shuttleworth (Burlington - Ward 4, Co-Chair of the Boundary Review Committee), Planning Department staff, and Superintendents of Education Julie Hunt Gibbons and Colette Ruddock.

The BRSC has reviewed the options for the accommodation needs of students moving into the Oakville TBD Area, as well as current projections for existing schools. The BRSC will bring a report with a recommendation to the Board of Trustees on Feb. 17, 2021 for information and March 3, 2021 for decision.

Information on the TBD boundary review study can be found on the HDSB website at [www.hdsb.ca](http://www.hdsb.ca).

Should you have any questions regarding this boundary review, please contact the Planning Department at 905-335-3665 or send an email to [plan@hdsb.ca](mailto:plan@hdsb.ca).

Sincerely,

Colette Ruddock  
Superintendent of Education  
Chair, Boundary Review Steering Committee
