

# HDSB Pre-registration Parent Guide

## Pre-registration for New Parents/Children:

- Click the “Add Child” button at the bottom of the page to get started.
- A page will open asking what year the parent is registering the child for. To pre-register, they would choose the bottom option for the 2024-2025 school year.

This screenshot shows a web form titled "Which school year are you registering your child for?". It features two radio button options. The first option is "I am registering my child for the current school year (September 2023 to June 2024)". At the top of the form, there are "Home" and "Help" links.
