

A statement from Amy Collard, Chair of the Halton District School Board

I have withdrawn my personal endorsement of Khdiga R. Metwally. Upon learning additional information, I no longer feel it is appropriate to endorse this candidate. I want to be clear that any prior support was offered strictly in my capacity as a private citizen and does not reflect my role as trustee or Chair of the Halton District School Board.

The HDSB does not endorse political candidates and takes no role in municipal or school board election campaigns. My priority is ensuring our focus remains firmly where it belongs – supporting student achievement, well-being and success.
