Cancelling School Buses and Closing Schools Due to Bad Weather

During the winter months, inclement weather may cause the disruption of bus transportation and regular school operations. Parents/guardians are reminded to review the inclement weather information below for the 2023-2024 school year.

In case of inclement weather, the decision to close schools and/or cancel buses is communicated **by 6:30 a.m.** in the following ways:

Email Notifications on Inclement Weather Days

- The SchoolMessenger system will email the parents/guardians of approximately 67,000 students. Delays in email delivery are caused by limitations of Internet Service Provider (ISP) receiving our messages, spam protection, as well as other GTA school boards sending messages that morning. For this reason, the SchoolMessenger system is supplementary to social media, TV, radio, website and HDSB Mobile App.

Reminders for Bus Riders

- When bus transportation is cancelled, it is cancelled for the entire day. Parents who bring their children to school when buses are cancelled, must make arrangements to pick them up at dismissal time.
- Review the Transportation Zone map to ensure you know which zone you live in. Bus cancellation announcements refer to those zones.
- Pay careful attention to the bus cancellation message if your child travels from one zone to another for a specialized program. If your child travels into or through a zone where the transportation is cancelled, there will be NO transportation provided for your child that day.
- Dress warmly on cold weather days as school buses may be delayed and your child may be waiting for the bus longer than usual.
- Create a Parent Portal account on the Halton Student Transportation Services (HSTS) website to receive updates on bus delays or weather related cancellations (haltonbus.ca).

Important Information for All Families

- When schools are closed due to inclement weather, both in-person and e-learning support will not be provided. If buses are cancelled but schools remain open, in-person and e-learning courses will continue.
- When buses are cancelled but schools are open, parents/guardians who keep their children at home, **MUST** report this absence before the school day

starts at: Toll free 1-877-409-6310, online at go.schoolmessenger.ca, or the HDSB Mobile App.

- When the temperature (with or without) wind chill reaches -20 degrees Celsius, students will enter the school immediately upon arrival in the morning and remain indoors during nutrition breaks.
- It is a parent/guardian's decision whether or not they send their child to school on inclement weather days.
