There is no application fee for I-STEM. There is an annual program fee of \$200 per year to support the additional opportunities for students in this program. Please contact the Principal at Aldershot School if this fee would be a barrier for your child attending.

The following questions are to be completed by the student applicant.
1. What excites you about innovation, science, technology, engineering and math? (100 words maximum)
2. Describe your personal learning goals and reasons for wanting to be a part of the Aldershot School I-STEM Program. (100 words maximum)

I-STEM Application Form 2019-2020
