

SIP 3.2.4—Criteria for Community Planning and Partnerships

Sharing unused space in existing schools

As stated in the Board Community Planning and Partnerships policy, the Board identifies a list of schools that present suitable partnership opportunities, subject to the following criteria:

- Projected 200 or more excess pupil places and/or 60 per cent utilization or less for 2 years;
- Ability to identify and create distinct and contiguous space within a facility, separate from the students;
- Space not required for Board programming or other uses;
- Appropriate access to the space;
- Parking availability;
- Zoning and site use restrictions;
- Facility condition;
- Other criteria as appropriate.

Schools that have met this criteria were identified for Community Planning and Partnerships and indicated in Line 3.2.5 of the School Information Profiles.
