Milton SW #12 ps has a split grade 8 cohort.									
Students in zones F, G, H, I to be directed to Milton SW #12 ps									
Milton SE #13 tentative opening date September 2024.									
Milton SE #14 opening date: To Be Determined									
Milton Education Village School (MEV #1 ps) opening date: To Be Determined									
From Transportation:		Would prefer to have Zone A attend P.L. Robertson PS - no bussing will be required to PL Robertson, but may be required to Milton SW#11							
		Would prefer to have Zone J attend the same school for English and FI. Two different schools are more costly and result in longer bussing times for students.							
		Zone D is an area that will be bussed to schools.-							
From Planning:		Projection shows an aggressive development and yield rate.							
		Milton Sw#11 ps, will reach total capacity by 2025, at current yield rates.							
		Milton SW#11 ps opens with under 500 students. This school will be over OTG capacity by 2023							
		Viola Desmond PS assumes 15% of new development to attend FI, from Milton SW#11 ps							
		Viola Desmond PS students within zones A, E and attend another school will be directed to Viola Desmond PS, September 2022.							
		Milton Sw#12 ps, will reach total capacity by 2025, at current yield rates.							
		Milton SW#12 ps opens with under 700 students. This school will be over OTG capacity by 2023							
		Milton SW#12 ps is a holding school for Milton SE #13 ps. (Tentative opening date September 2024)							
		Milton SW#12 ps has a split grade 8 English cohort to Milton SW #1hs and Craig Kielburger HS.							
		The FI program will start with approximately 35 students in grade 2 FI September 2022.							
Student Movement:		Zone A: English Students have been directed to Anne J. MacArthur PS, Boyne PS, and Viola Desmond PS. This option will move students to Milton SW#11 ps.							
		Zone D English Students have been directed to Boyne PS, and Viola Desmond PS. This option will move students to Milton SW#11 ps.							
		Zone F English Students have been directed to Boyne PS, and Viola Desmond PS. This option will move students to Milton SW#12 ps.							

Alternate Modification										
	Zone A to P.L. Robertson PS, Zone D to Viola Desmond PS.									
Notes:	There is an area in the Sam Sherratt catchment at the Oakville - Milton. English students attend Sam Sherratt PS, FI students attend Sunningdale. It is highly recommended that FI attend the same Milton school as not to split the grade 22 cohort.
